

SL	Ununiversity / College	Department / Secondary Schools	Programme Name	Degree Level	Duration (Year)	Instruction Language
1	Hebei Vocational University of Industry and Technology	Mechanical Design, Manufacturing and Automation	Mechanical Design, Manufacturing and Automation	Bachelor	4 years	English/Chinese
		Iron and Steel Intelligent Metallurgical Technology	Iron and Steel Intelligent Metallurgical Technology	Bachelor	4 years	English/Chinese
		School of Computer Technology and Software Engineering	Computer Information Technology Mobile Application Development	Bachelor	4 years	English/Chinese
	Jinan Vocational College	Mechanical Design and Manufacture	Mechanical Design and Manufacture	Diploma	3 years	English/Chinese
		Mechatronics Technology	Mechatronics Technology	Diploma	3 years	English/Chinese
		Automotive Manufacturing and Testing	Automotive Manufacturing and Testing	Diploma	3 years	English/Chinese
		Electrical Automation Technology	Electrical Automation Technology	Diploma	3 years	English/Chinese
		Elevator Engineering Technology	Elevator Engineering Technology	Diploma	3 years	English/Chinese
		Aircraft Electromechanical Equipment Maintenance	Aircraft Electromechanical Equipment Maintenance	Diploma	3 years	English/Chinese
		Software Technology	Software Technology	Diploma	3 years	English/Chinese
		Numerical Control Technology	Numerical Control Technology	Diploma	3 years	English/Chinese
		Industrial Process Automation Technology	Industrial Process Automation Technology	Diploma	3 years	English/Chinese
		Computer Network Technology	Computer Network Technology	Diploma	3 years	English/Chinese
		Computer Applications and Technology	Computer Applications and Technology	Diploma	3 years	English/Chinese
		Animation Design Technology	Animation Design Technology	Diploma	3 years	English/Chinese

SL	Ununiversity / College	Department / Secondary Schools	Programme Name	Degree Level	Duration (Year)	Instruction Language
2		Cloud computing technology and applications	Cloud computing technology and applications	Diploma	3 years	English/Chinese
		Electronic Information Engineering Technology	Electronic Information Engineering Technology	Diploma	3 years	English/Chinese
		Applied Electronic Technology	Applied Electronic Technology	Diploma	3 years	English/Chinese
		Microelectronics	Microelectronics	Diploma	3 years	English/Chinese
		Intelligent Terminal Technology and Application	Intelligent Terminal Technology and Application	Diploma	3 years	English/Chinese
		Finance Service and Management	Finance Service and Management	Diploma	3 years	English/Chinese
		Large-Scale Data and Financial Management	Large-Scale Data and Financial Management	Diploma	3 years	English/Chinese
		Large-Scale Data and Accounting	Large-Scale Data and Accounting	Diploma	3 years	English/Chinese
		Accounting information management	Accounting information management	Diploma	3 years	English/Chinese
		Supply Chain Operation	Supply Chain Operation	Diploma	3 years	English/Chinese
		E-Commerce	E-Commerce	Diploma	3 years	English/Chinese
		Logistics Management	Logistics Management	Diploma	3 years	English/Chinese
		Entrepreneurship and Operations of Small and Medium Enterprises	Entrepreneurship and Operations of Small and Medium Enterprises	Diploma	3 years	English/Chinese
		Marketing	Marketing	Diploma	3 years	English/Chinese
		Tourism Management	Tourism Management	Diploma	3 years	English/Chinese
Hospitality Management and Digital Operation	Hospitality Management and Digital Operation	Diploma	3 years	English/Chinese

		Environmental Art Design	Environmental Art Design	Diploma	3 years	English/Chinese
	Yangling Vocational & Technical College	Department of Hydraulic Engineering	Hydraulic project	Diploma	3 years	English/Chinese
		Department of Hydraulic Engineering	Hydraulic and hydropower engineering technology	Diploma	3 years	English/Chinese
		Department of Hydraulic Engineering	Hydraulic and hydropower construction engineering	Diploma	3 years	English/Chinese
		Department of Hydraulic Engineering	Intelligent management of Hydraulic electromechanical equipment	Diploma	3 years	English/Chinese
		Department of Hydraulic Engineering	Construction supervision (Hydraulic project supervision)	Diploma	3 years	English/Chinese
		Department of Hydraulic Engineering	Water supply and drainage engineering technology	Diploma	3 years	English/Chinese
		Department of Hydraulic Engineering	Safety technology and management	Diploma	3 years	English/Chinese
		Department of Construction engineering	Construction technology	Diploma	3 years	English/Chinese
		Department of Construction engineering	Building equipment engineering technology	Diploma	3 years	English/Chinese
		Department of Construction engineering	construction costs	Diploma	3 years	English/Chinese

SL	Ununiversity / College	Department / Secondary Schools	Programme Name	Degree Level	Duration (Year)	Instruction Language
		Department of Construction engineering	Construction supervision	Diploma	3 years	English/Chinese
		Department of Construction engineering	Municipal engineering technology	Diploma	3 years	English/Chinese
		Department of Traffic and Surveying Engineering	Engineering survey technology	Diploma	3 years	English/Chinese
		Department of Traffic and Surveying Engineering	Photography and remote sensing technology	Diploma	3 years	English/Chinese
		Department of Traffic and Surveying Engineering	Railway engineering technology	Diploma	3 years	English/Chinese
		Department of Traffic and Surveying Engineering	Road and bridge engineering technology	Diploma	3 years	English/Chinese
		Department of Traffic and Surveying Engineering	Urban rail transit engineering technology	Diploma	3 years	English/Chinese
		Department of Traffic and Surveying Engineering	Urban rail transit operation management	Diploma	3 years	English/Chinese
		Department of Electromechanical Engineering	Power system automation technology	Diploma	3 years	English/Chinese
		Department of Electromechanical Engineering	mechanical manufacture and automation major	Diploma	3 years	English/Chinese
		Department of Electromechanical Engineering	Electromechanical equipment technology	Diploma	3 years	English/Chinese
		Department of Electromechanical Engineering	Mechatronics technology	Diploma	3 years	English/Chinese

SL	Ununiversity / College	Department / Secondary Schools	Programme Name	Degree Level	Duration (Year)	Instruction Language
3		Department of Electromechanical Engineering	Industrial robot technology	Diploma	3 years	English/Chinese
		Department of Electromechanical Engineering	Electrical automation technology	Diploma	3 years	English/Chinese
		Department of Electromechanical Engineering	Automobile manufacturing and test technology	Diploma	3 years	English/Chinese
		Department of Electromechanical Engineering	New energy vehicle technology	Diploma	3 years	English/Chinese
		Department of Information Engineering	Application of electronic technology	Diploma	3 years	English/Chinese
		Department of Information Engineering	Computer Applied Technology	Diploma	3 years	English/Chinese
		Department of Information Engineering	Big data technology	Diploma	3 years	English/Chinese
		Department of Information Engineering	Animation production technology	Diploma	3 years	English/Chinese
		Department of Information Engineering	Modern communication technology	Diploma	3 years	English/Chinese
		Bioengineering Department	Horticultural Technology	Diploma	3 years	English/Chinese
		Bioengineering Department	Plant protection and quarantine technology	Diploma	3 years	English/Chinese
		Bioengineering Department	Processing and quality inspection of agricultural products	Diploma	3 years	English/Chinese
		Bioengineering Department	Green food production technology	Diploma	3 years	English/Chinese
